

**You may be sitting right next to a victim and not even know it.**

## **Know the signs to look for:**

- Scripted or inconsistent stories
- Branding or tattoos with “Daddy,” a man’s name, or money symbols
- Wounds, whip marks, and bruises (especially hand-shaped) at various stages of healing
- Seductive behavior with men
- Frightened, ashamed, or nervous
- Malnourished
- Unable or afraid to make eye contact
- Chronic runaway or homeless youth
- Dating a man who is much older, abusive, or controlling
- Not attending or multiple absences from school
- Clothing inappropriate for weather or saying “Daddy’s Girl”
- Pimped-out cell phone
