

Every year, as many as 300,000 U.S. children are forced into sexual slavery.

Domestic Minor Sex Trafficking

ENOUGH IS ENOUGH!

Texas is one of the **leading states** for this horrific crime.

Do you know how to keep your kids safe from predators who want to buy and sell them for their own profit and pleasure?

Here are some ways it can happen ...

- Mexican cartels and local gangs hire boys and girls in our schools to find victims.
- Predators pose as teens on the Internet, befriending kids on Facebook, MySpace, chat rooms and through email.
- Viewing pornography often leads to buying children for sex.
- Pimps hang out where children do, looking for victims.
